3 4/2/2010 Heard counsel for the petitioner and counsel for the State.

Grievance of the petitioner in this contempt application is that despite order of payment of interest at the rate of 12.5%, such payment of interest has been made only at the rate of 10.5%.

The fact that the interest has been paid at the rate of 10.5% would go to show that the opposite parties have no intention to flout the order of this Court. Therefore, contempt application apparently seems to be misconceived. Nonetheless, as the order has not been fully complied, this Court would direct the opposite parties to ensure that whatever remaining amount on the

basis of 2% interest is payable the same would be extended to the petitioner within a period of three months from the date of receipt/production of a copy of this order.

Application stands disposed of.
